CLU® Insurance Specialty
Advanced Insurance Specialization

The CLU (Chartered Life Underwriter) Designation can be earned by completing 5 required courses, HS 311, HS 323, HS 324, HS 330, and HS 331, and 3 elective courses from the following group: HS 300, HS 313, HS 321, HS 325, HS 326, HS 328 and HS 334.

The CLU is the world's most respected mark of insurance expertise, helping you gain a significant competitive advantage in this competitive market. This prestigious course of study helps advance your career by providing in-depth knowledge on the insurance needs of individuals, business owners and professional clients. As a result, CLU® designees average up to 51% higher production income than their peers.

Earn the CLU Your Way

The comprehensive core of CLU knowledge is supplemented by a broad selection of elective courses, allowing you to customize the program to the dynamics of your individual practice. Complete your program as fast as you like with leading edge texts and access to extensive online study aides at no additional charge, including:

- supplemental readings
- online discussion with course professors
- sample questions
- practice exams.

Additional Study Support

Cost-effective supplementary study materials, developed in partnership with Kier Educational Resources, are also available for select CLU courses. [Click here for information on the supplemental study materials.](#)
